

Senior Management Development Programme [SMDP]

The Senior Management Development Programme is specifically designed for existing managers who intend acquiring formal exposure to strategic management functioning. Delegates will develop strong strategic management skills. The SMDP provides a comprehensive view of contemporary management practice in both the public and private sectors and provides strategic insight enabling junior and middle managers to pursue senior management positions within their organisations.

Structure

This programme will be delivered over a 6 month period. Lectures will be delivered monthly in 2-day block sessions. Delegates will be required to submit an integrated project in order to successfully complete the programme. Delegates completing the programme will be awarded with a certificate of competence.

Who should attend?

- Mid-level and senior executives in private and public sector organisations
- Individuals forming part of an accelerated talent management intervention

Upon completion of the programme, delegates should be able to:

- Positively impact the overall strategy and attainment of key objectives within the organisation.
- Acquire high complexity decision-making skills.
- Develop and enhance leadership acumen.

** Participants completing this programme will earn credits towards the Advanced Certificate in Management Studies.*
