

Municipal Finance Management

Local government is seen as the launch pad for development. However, sustainable development either in urban or rural areas cannot proceed unless the entities and officials charged with such responsibilities carry the institutional capacity or a working knowledge of the financial regulatory environment and its complex impact on local areas and municipalities.

Structure

This programme will be delivered over 3 days. Delegates will be required to complete a project in order to successfully complete the programme. Delegates completing the programme will be awarded with a certificate of competence

Who should attend?

- Municipal officials
- Regional governance operatives
- Consultants
- Elected public representatives
- NGOs
- Diplomatic staff

Upon completion of the programme, delegates should be able to:

- Apply general municipal sector financial administrative and managerial skills.
- Gain a personal awareness of local government policy management.
- Apply local government resource management skills.
- Gain a personal awareness of ethics.
- Contribute towards enhanced service delivery.
