

Professional Designation Examination Readiness Workshop (PDE 4 and 5)

The Professional Designation Examination (PDE) is an integrated assessment of knowledge for estate agents contemplated in regulation of the Education Regulations promulgated under Government Notice R.633 on 04 June 2008. No individual may be registered by the Estate Agency Affairs Board (EAAB) as a full status agent unless that person has successfully completed the PDE. The PDE is entirely distinct from the old EAAB Board examination and focuses on the new education curriculum that was introduced in 2008.
