

## Public Finance Management

Operational knowledge of public finances, and the administration and management of the array of elements associated therewith is imperative for each and every public official as well as functionaries indirectly involved in engagements with the state. Even quasi-autonomous entities such as universities, the energy sector or regulatory bodies are required to be conversant with the public finance regime.

### Structure

This programme will be delivered over 3 days. Delegates will be required to complete a project in order to successfully complete the programme. Delegates completing the programme will be awarded with a certificate of competence.

### Who should attend?

- Public sector officials
- Quasi-autonomous entity operatives
- NGO sector
- Consultants
- Elected public representatives
- Diplomatic staff

### Upon completion of the programme, delegates should be able to:

- Apply general public finance administrative and managerial skills.
- Apply financial policy management skills.
- Understand public financial legislation and the treasury regulatory environment.
- Apply financial resource management skills.
- Gain a personal awareness of ethics.
- Contribute towards enhanced service delivery.
