Educating the next generation of African leaders and professionals.
“Dream, achieve and be impactful.”

Professor Magnate Ntombela
MANCOSA prides itself on its rich diversity, both at student and staff level; and this characteristic is bolstered by professional and academic relationships with credible international institutions. Students get the benefit of programmes that are locally relevant within a rich global context.

MANCOSA academics are committed to lead students through the journey of academic exploration by applying theory to practice, using innovative and pedagogically sound approaches.

MANCOSA ensures that the programmes it offers are sufficiently rigorous to equip students with the values of hard work, commitment and sacrifice. MANCOSA graduates leave the institution with a heightened desire for lifelong learning and being well prepared for both civic responsibility and career mobility.

Join the MANCOSA world of academic excellence where learning is both fun and a challenge to prepare you to succeed in a competitive working environment.

We wish you well in your studies.
Principal
Professor Magnate Ntombela

DECIDING TO STUDY IS AN IMPORTANT INVESTMENT IN YOUR FUTURE. IT IS CRUCIAL THAT YOU CHOOSE THE PROGRAMME AND SCHOOL THAT IS RIGHT FOR YOU. MAKING A CAREER CHOICE TODAY CAN BE A VERY CHALLENGING DECISION IN A GLOBALISED AND COMPETITIVE ENVIRONMENT.

There is a need to raise the skills base in the workplace through the pursuit of appropriate qualifications from a reputable higher education institution. MANCOSA strives to ensure that it provides a higher education that satisfies the needs of 21st Century students.

Besides gaining deep and far ranging disciplinary knowledge, its students develop valuable life skills and become critical, independent and confident thinkers. These life skills enable graduates to deal more confidently and effectively with complexities that confront them in the world of work.
DURING 2017, MANCOSA BECAME A PROUD MEMBER OF HONORIS UNITED UNIVERSITIES WHICH IS THE FIRST PAN-AFRICAN PRIVATE HIGHER EDUCATION NETWORK COMMITTED TO PREPARING AND EDUCATING THE NEXT GENERATION OF AFRICAN LEADERS AND PROFESSIONALS WHO ARE ABLE TO IMPACT REGIONALLY IN A GLOBALISED WORLD.

Collaborative intelligence, cultural agility and mobile mindsets and skills are at the heart of Honoris’ vision of higher education. Honoris United Universities joins the expertise of its member institutions to create pan-regional profile graduates that are competitive in today’s fast-paced and demanding labor markets. Honoris United Universities gathers a community of 32000 students on 58 campuses, in 9 countries and 30 cities across Africa. More than 150 degrees are offered in the fields of Health Science, Engineering, IT, Business, Law, Architecture, Arts and Design, Media, Education and Political Science. MANCOSA is a private higher education institution committed to the provision of affordable, accessible and accredited learning programmes. MANCOSA is a leading provider of business and management education programmes on the African continent and the Indian Ocean Islands through supported distance education. MANCOSA is renowned for academic excellence and cutting-edge insights in the delivery of education and training. A strong emphasis is placed on the application of theory to practice ensuring that learning is applied to real-life work situations. The emphasis is on personal development from both a professional and academic perspective. MANCOSA qualifications prepare students for a future filled with many challenges and exciting opportunities.
VISION
Education for a better world for all.

MISSION
Impacting lives through innovative education.

WHY CHOOSE MANCOSA?

- MANCOSA provides high quality education
- MANCOSA develops competitive and career-centred skills
- MANCOSA provides an intellectually stimulating environment
- MANCOSA connects students to a global gateway of knowledge; and
- MANCOSA programmes are responsive to regional, national and international needs
REGISTRATION AND ACCREDITATION

Honoris United Universities (HUU);

South African Business Schools Association (SABSA);

National Association of Distance Education Organisations of South Africa (NADEOSA); and

European Foundation for Management and Development (EFMD)

QUALITY ASSURED

• MANCOSA is registered with the Department of Higher Education and Training (DHET), registration number 2000/HE07/003;
• MANCOSA programmes are accredited by the Higher Education Quality Committee (HEQC) of the Council on Higher Education (CHE); and

INTERNATIONAL AND REGIONAL RECOGNITION

• Accredited by the Mauritius Tertiary Education Commission (TEC)
• Registered with the Zambia Higher Education Authority (HEA)
• Accredited by the Malawi National Council for Higher Education (NCHE)
• Registered with the Eswatini Higher Education Council (ESHEC)

KEY FACTS

For the first time in the region, a higher education initiative, at international standards, introduces the collaborative intelligence of African institutions, leveraging the knowledge and expertise of multiple communities and countries.
THE MANCOSA ADVANTAGE

FLEXIBILITY
Studying through distance learning means that there is little disruption to your personal life and full-time work schedule. The MANCOSA programmes enable students to be flexible in approaching their studies. Should your work require extensive travel and extended working hours, the MANCOSA distance learning programmes are ideally suited to meet your specific needs.

AFFORDABILITY AND ACCESSIBILITY
MANCOSA is committed to providing affordable access to higher education through the provision of accredited and quality assured programmes.

INTERACTIVE EXPERIENCE
A range of teaching methods as well as technological support is used, including webinars and online discussions, case studies and self-study exercises, aimed to enhance the student learning experience. All of these help to build skills and competencies which develop students managerial capabilities.

OVERALL EXPERIENCE
The MANCOSA programmes are designed and structured to stimulate you intellectually. The rigour of the programmes and the effort required to complete them successfully will ensure that you acquire the knowledge, skills and abilities to face the challenges of the business world.
LEARNING JOURNEY

MANCOSA utilises a blended teaching strategy, drawing on the value of independent learning through specially designed materials, limited face to face workshops as well as optimising your learning experience through a bespoke educational technology eco system.

This rich academic support model allows students to maximise their learning opportunities, whilst in full time employment.

Learning does not need to be synchronous and students may access the MANCOSA learning management system online. This

ACADEMIC SUPPORT

Collaborative intelligence at the heart of our vision.

Learning management platform called ‘MANCOSAConnect’ is a user friendly, mobile supported platform which provides a student with library and academic resources, pacer plans, self development activities, timetables and importantly hosts the online webinar lectures. Lectures are recorded and are available for future reference.

ACADEMIC SUPPORT

The MANCOSA academic faculty have industry experience and expertise to ensure that students receive continuous support and guidance. Full time academics are appointed in the various support centres to provide face to face, telephonic and email support to students. In addition to this, students will have access to online learning material, discussion forum and webinars.

MODULE GUIDES

Module guides includes prescribed and recommended readings, practical assignments, assessment activities and case studies. In addition textbooks are prescribed to supplement these readings. All the electronic versions of the module guides, readings, assignments, journal articles etc. will be found on the MANCOSAConnect portal.
MANCOSA has fully-equipped reference libraries in Durban, Johannesburg, Cape Town and Pretoria. In addition resource facilities are available at all other learning centres. Our students have free access to the latest online research and journal articles via EBSCOhost, Emerald and SABINET.

MANCOSA STUDENT SERVICES

Students are provided with comprehensive support on all aspects relating to their studies. The student portal (www.mymancosa.com) provides all registered students with a range of information and academic support.

ACCESS TO YOU

LIBRARY AND ELECTRONIC RESOURCES GUIDES

Advanced Certificate, Advanced Diploma and Degree Programmes

The minimum admission requirement to enrol on a MANCOSA undergraduate programme is a National Senior Certificate with appropriate subject combinations and endorsement. The minimum entry requirement for an Advanced Certificate is a Higher Certificate. The minimum requirement for an Advanced Diploma is a National Diploma (NQF level 6) or an Advanced Certificate (NQF level 6).

Digitising Module

Are you one of those students who already have computer skills and would prefer to register for a more contemporary module that is aligned to 21st century skills?

The Digital Transformation in the Business Environment module will be offered as an elective to the End User Computing (EUC) in the Higher Certificate and Degree programmes. This Digital Transformation in the Business Environment Module is based on the concept of Digitalisation and the massive impact it has on the on the technical and business challenges, as well as opportunities brought by the rapid advancement of digital technologies.

Programme Description

The Higher Certificate in Human Resource Management is a one year programme that prepares students for employment in human resource positions. Human resource management is critical for the long term sustainability and economic growth of the Southern African industry, business and other types of organisations. People in industry and business determine to a great extent economic success or failure, and therefore it is critical that supervisors and administrative staff have the basic ability to engage with the changing demands of the workplace and industry. The Higher Certificate in Human Resource Management programme provides an ideal platform for school leavers to develop basic human resource administration knowledge, skills and competencies. This programme has a real-world and market focus and can be immediately applied in the workplace. It offers up to date information on domestic and international human resource practices.

Who Should Apply?

- Individuals who wish to acquire human resource management skills.
- Human resource administrators who wish to move into a human resource consultancy position.
- Individuals who are currently in human resource positions looking to improve their human resource management skills.

Programme Description

The Higher Certificate in Marketing aims to provide students with the framework for understanding the dynamics of marketing which is a major operating function of any organisation in pursuit of business. Equipped with the core marketing principles and concepts, students of this programme will have greater opportunity to compete and succeed in their future marketing career.

This programme provides the foundational building blocks of understanding marketing. It is neither too narrow nor limited to retail marketing or sales management. This qualification will equip students with a fairly broad-based knowledge of the world of business. They will be able to think across different disciplines, as companies are confronted with a continuous process of developing and maintaining a feasible fit between organisations’ objectives, skills and resources and their changing marketing opportunities.

Who Should Apply?

- School leavers looking to pursue a career in marketing.
- Individuals who wish to acquire marketing skills.
- Entrepreneurs.
- Individuals who are currently in management positions looking to improve their marketing skills.

Programme Description

Project Management has emerged in the business world as one of the most popular career fields in the twenty-first century. It encompasses and touches every facet and business unit of the organisation from human resources to finance and information technology. Having a project management qualification enables individuals to easily switch careers.

The project management framework cuts across all disciplines while the tools and techniques required to manage projects remain the same. Some of these tools and techniques may need to be adapted based on the nature of the project and the industry. This programme is intended to provide students with the framework for understanding the dynamics of project management and covers all the essential elements and processes in project management.

Who Should Apply?

- School leavers looking to pursue a career in project management.

Programme Description

The Bachelor of Commerce in Financial Management is a specialised undergraduate degree programme that prepares students for the management of monetary resources in an organisation.

This programme is primarily aimed at developing financial and managerial skills, to equip students to meet the demand for specialists and leaders in the financial sector. The programme examines financial concepts such as capital, cash budgets, analysis of financial statements, taxation, commercial law and provides a comprehensive overview of financial management.

In this way, while primarily gaining specialised financial skills, students consider and evaluate different factors in making informed decisions for continued financial growth in an organisation.

Who Should Apply?

• School leavers who wish to pursue a career in financial management.
• Finance specialists who wish to become finance managers.

Career Opportunities

On completion of the programme, graduates can aspire to the following positions:

• Bank Branch Manager
• Financial Analyst
• Portfolio Manager
• Financial Administrator
• Financial Manager
• Financial Planner

Programme Description

In an ever-changing global business and economic environment, studying business from an international perspective is vital for graduates who are ambitious to work across international boundaries and cultures.

This programme will prepare and equip graduates with the knowledge and skills to understand the link between political, economic, socio-cultural and environmental factors which impacts on multinational organisations. The Bachelor of Commerce in International Business degree will allow students to gain a broader and more in-depth understanding of the role and importance that governments play, both in a global context.

The programme facilitates a sound understanding of the key business theories, methodologies and practices. The course work also provides a balance of theoretical and practical aspects of international business.

Who Should Apply?

Students who have a passion for business and finance and are interested in learning about the various types of currencies and laws by which businesses operate on at a global level. This program will provide students with the necessary knowledge which is required to understand how national and multinational businesses operate.

Programme Description

The Bachelor of Commerce in Marketing Management degree is an undergraduate programme that prepares students for professional careers in the field of marketing. This emphasises the techniques and methods of managing and planning for marketing.

Students proceed through the curriculum in a planned sequence that culminates with the development of a marketing plan. The programme focuses on proven practices and application of theory covering research, the nature of consumers, sales management, advertising, quality management, law and ethics in the marketing environment.

The programme also introduces students to critical thinking skills by providing them with practical marketing principles, examples and case studies, all of which develop the student’s cognitive abilities and enable them to develop marketing strategies for their organisations.

Who Should Apply?

- School leavers wishing to pursue a career in marketing management.
- Qualified marketing managers who wish to broaden their knowledge in strategic marketing management.
- People wishing to become marketing consultants.
