ACADEMIC SUPPORT

LEARNING JOURNEY

MANCOSA utilises a blended teaching strategy, drawing on the value of independent learning through specially designed materials, limited face to face workshops as well as optimising your learning experience through a bespoke educational technology eco system.

This rich academic support model allows students to maximise their learning opportunities, whilst in full time employment.

Learning does not need to be synchronous and students may access the MANCOSA learning management system online.

This Learning management platform called ‘MANCOSAConnect’ is a user friendly, mobile supported platform which provides a student with library and academic resources, pacer plans, self development activities, timetables and importantly hosts the online webinar lectures. Lectures are recorded and are available for future reference.

ACADEMIC SUPPORT

The MANCOSA academic faculty have industry experience and expertise to ensure that students receive continuous support and guidance.

Full time academics are appointed in the various support centres to provide face to face, telephonic and email support to students. In addition to this, students will have access to online learning material, discussion forum and webinars.

MODULE GUIDES

Module guides includes prescribed and recommended readings, practical assignments, assessment activities and case studies. In addition textbooks are prescribed to supplement these readings.

Electronic versions of the module guides will be available on request. All the readings, assignments, journal articles etc will be found on the MANCOSAConnect portal.
